SUBJECT: Status of Notice of Intention to Commence Small Mining  
Operations, Sawtooth Stone Quarry #3, S/003/068, Box Elder  
County, Utah

Dear Mr. Mitchell:

On May 20, 2004, we received your Notice of Intention to Commence Small Mining Operations (two copies) and \$150.00 filing fee for the Sawtooth Stone Quarry #3. We temporarily assigned the application to file #S/003/068. It is our understanding that you do not have a mineral lease from the School and Institutional Trust Lands Administration for this site. Mr. Kunzler advised you of this fact and informed you that we could not process your application until this issue was resolved. You asked Mr. Kunzler to hold the application and permit fee documents until you corrected the lease situation.

Because you do not possess right-of-entry to the minerals, we are unable to hold your check and application any longer; therefore, we are returning all documents to you. When the lease situation is resolved and if you want to go forward with the small mine application process, you will need to resubmit the application, pay the permit fee and receive written approval from this office, the BLM and SITLA prior to creating any surface disturbance.
